

“THEY CALL
IT STORMY
MONDAY...”

W. Mark Sutherland

the little booklet
I produced
(just for you)
"They Call It Stormy Monday..."

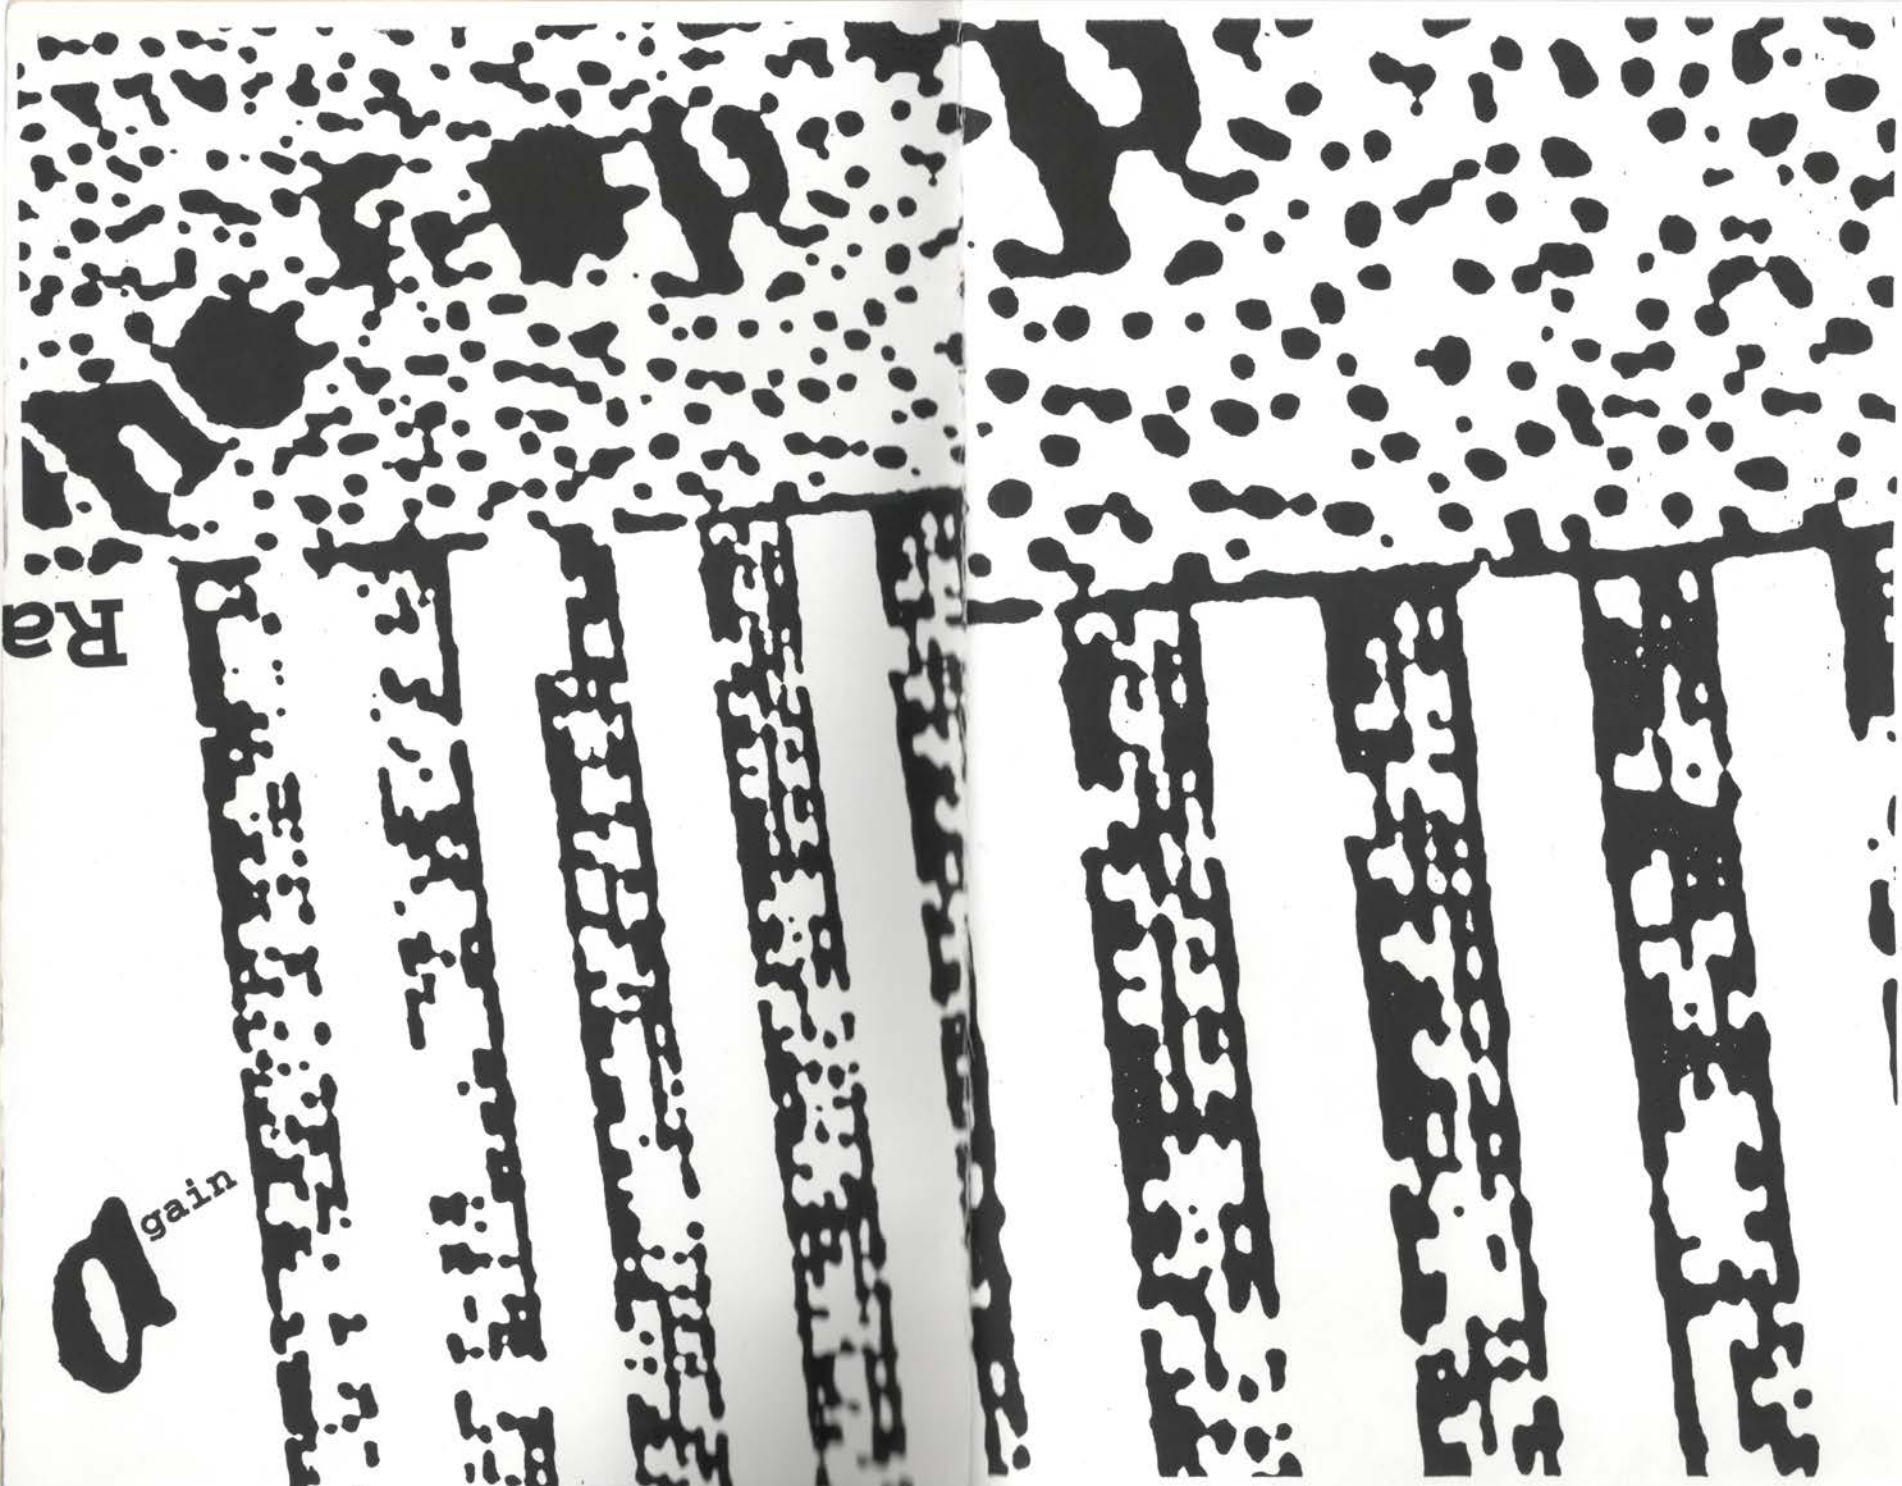

Each page
a 200% magnification
of the
previous page
the process
continuing
until the image
is actually
exploded
out of the frame

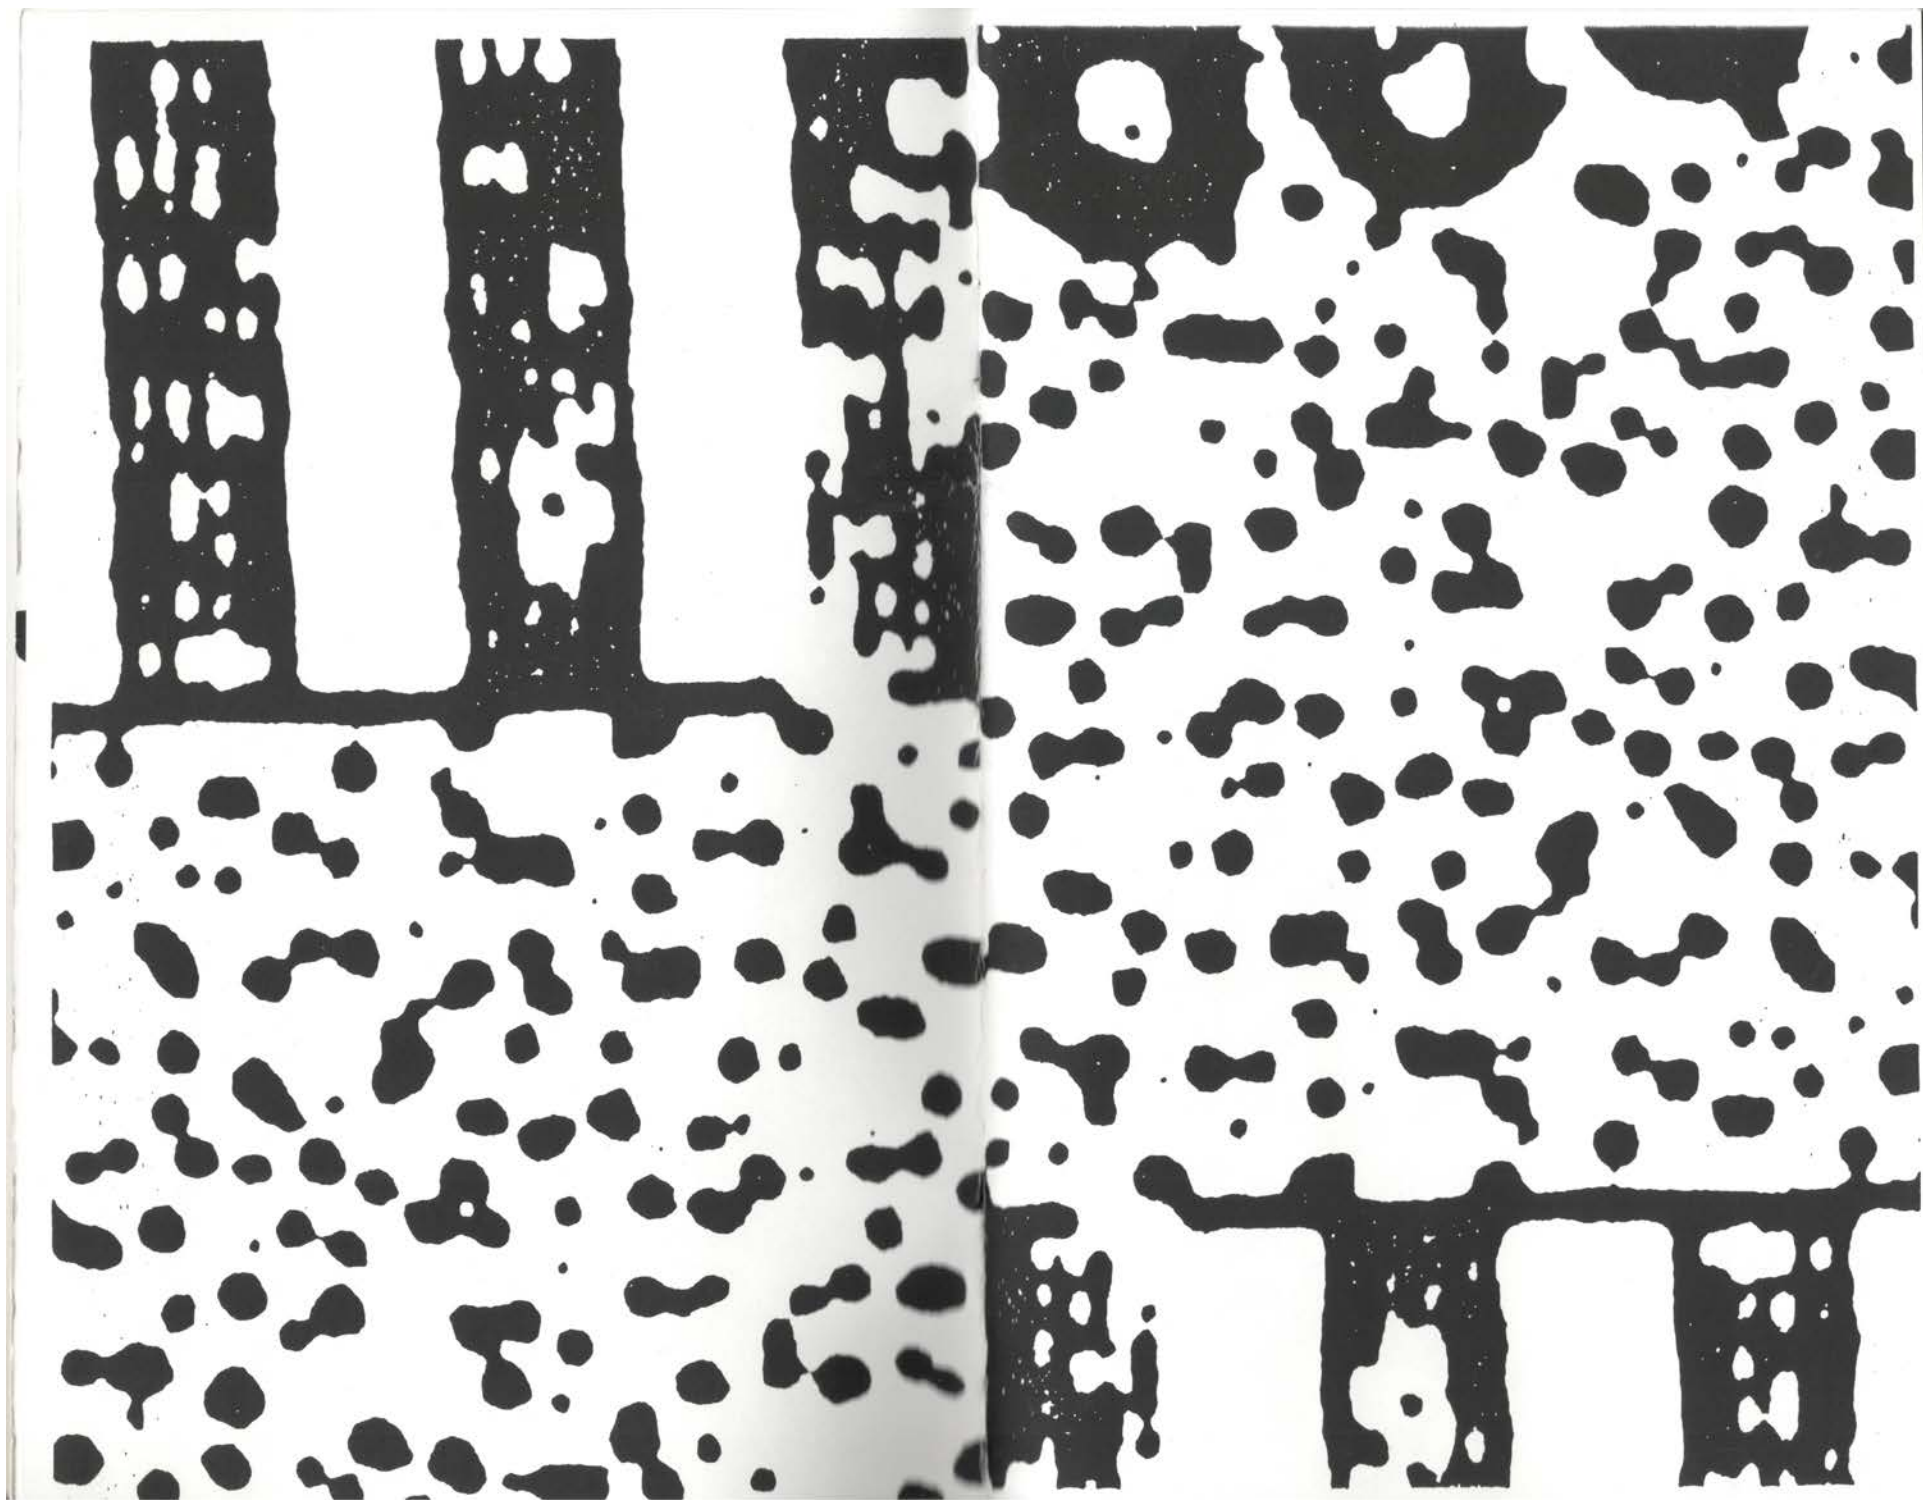

(off the page)

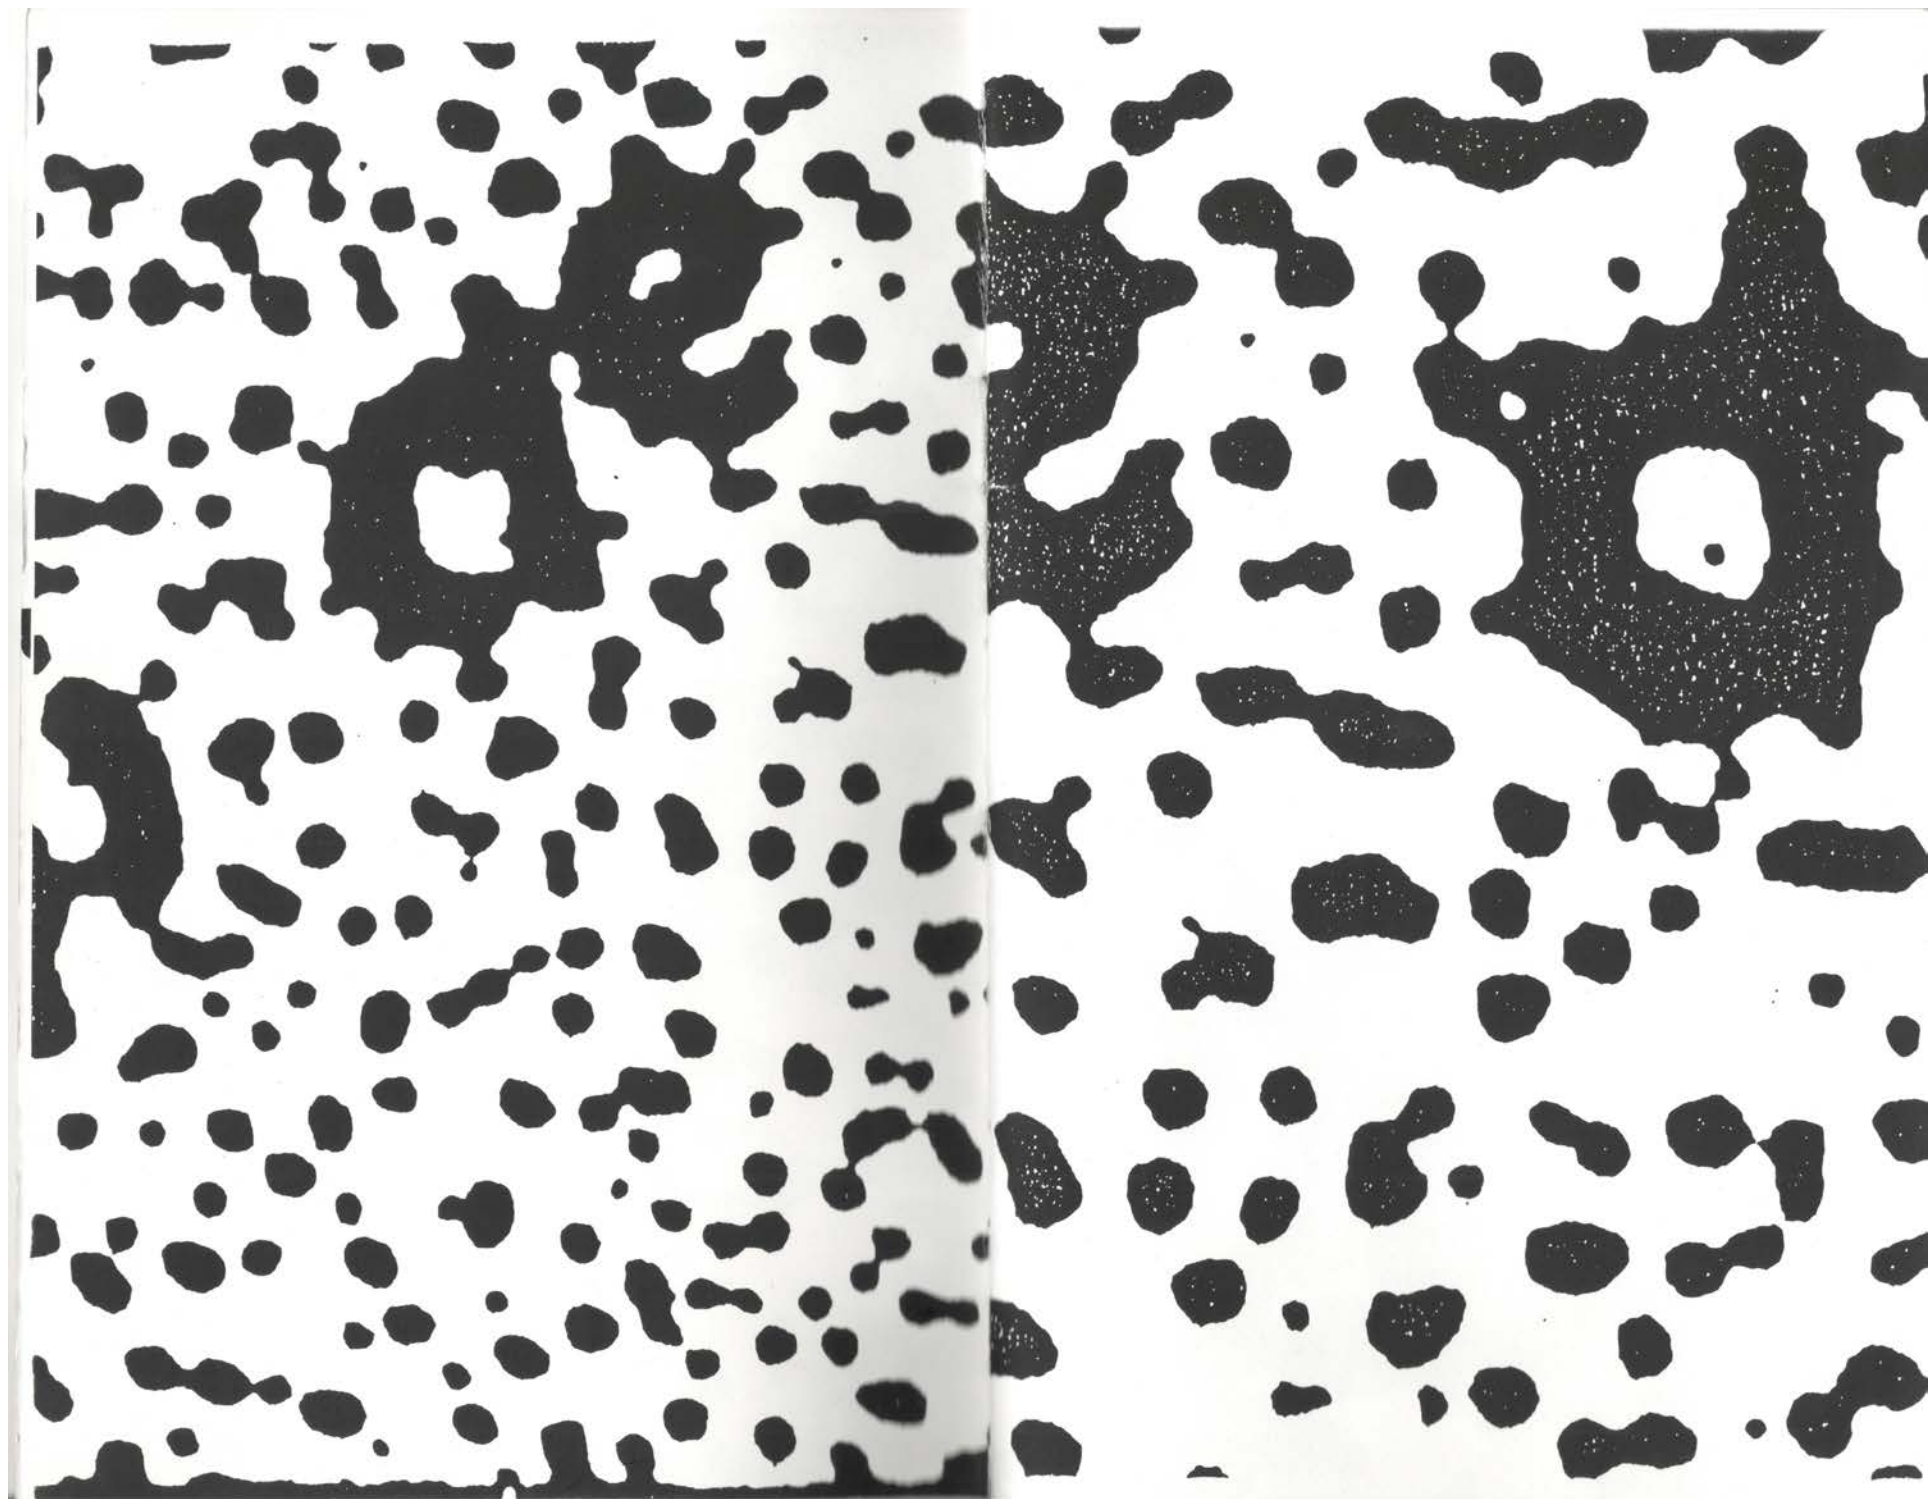

Ra

Rain

gain

rain
rain drops
puddles (or clouds)
edge of the planet
then the entire process
reverses itself

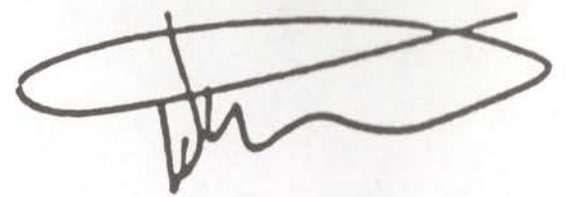

"rain again"

"no RA"
